Takeaway

We are a Social Enterprise and training cafe, supporting the wider aims of Elgin Youth Development Group.

We offer hands-on experience for the employability trainees who are serving you today. These young trainees learn practical skills & gain qualifications that they can apply to future employment.

Due to the work we do, we ask that you please be mindful that trainees will be at differing stages of their placement, and that service can be slower at busy times.

Opening Hours

During Term Time
